The Greatest Coach Ever: Timeless Wisdom And Insights Of John Wooden

Synopsis

Coach John Wooden's teams won 10 NCAA men's basketball championships at UCLA, and Sporting News magazine named him the greatest coach of all time. Decades after he retired, and now after his passing, his wisdom capsulized so clearly in his famous Pyramid of Success continues to guide new generations of athletes, coaches, and people of all walks of life. In *The Greatest Coach Ever*, the Fellowship of Christian Athletes features 40 tributes from athletes, coaches, and other influential leaders like Bobby Bowden, Tom Osborne, Sue Semrau, Tony Dungy, Mike Singletary, Tamika Catchings, Joe Girardi, Jim Tressel and David Robinson paying honor to Coach Wooden and reflecting on how his example has challenged and changed them. Their stories can challenge and change your life, too. Coach Wooden appreciated the tributes and the honor of being called the greatest coach ever, but felt uncomfortable with the title. He was eager to see that this book points to the one whom he calls the greatest coach ever.

The Greatest Coach Ever by Tony Dungy, David Robinson, Tom Osborne, and others was an extraordinary book. It is about John Wooden and his very unique coaching style which put him among the greatest coaches in history. The author shows the reader how great of a coach John Wooden was and how he was such a successful as a coach. This book would appeal to any one that is interested in sports and thinks that the history of sports is interesting. As you read my book I would actually try to learn something from this great coach. I give this book a 5 out of 5.

If you know anything about Coach Wooden, this is a must-read. My dad knew Coach Wooden, so when this book came out I had to get it for him. If you want to read about an inspiring man who knew how to inspire young people, you won't be disappointed.
