# Pathways In Juggling: Learn How To Juggle With Balls, Rings, Clubs, Devil Sticks, Diabolos And Other Objects

## Synopsis

PATHWAYS TO JUGGLING shows how to get started in simple one-ball juggling, progressing to three balls and more; juggling with a partner; and then on to using rings, clubs, devil sticks, plates, diabolos and other objects.

Paperback: 128 pages

Publisher: Firefly Books (October 1, 1997)

Language: English

ISBN-10: 155209121X

ISBN-13: 978-1552091210

Product Dimensions: 11 x 8.6 x 0.4 inches

Shipping Weight: 1 pounds

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (6 customer reviews)

Best Sellers Rank: #1,031,671 in Books (See Top 100 in Books) #6 in [Books > Sports & Outdoors > Individual Sports > Juggling](#) #161552 in [Books > Children's Books](#)

## Customer Reviews

PATHWAYS IN JUGGLING will keep you occupied from first, tentative steps in three-ball juggling through more complicated work with diabolos and devil sticks. It's appropriate for many different skill levels, from novice to advanced intermediate. After you've mastered all the book's knowledge, you'll be ready to perform impressively before public audiences. This learning process is made easier by the book's style. It's a very handsome, well-designed volume, whose instructive abilities are greatly enhanced by the use of full-color photographs. In many cases, the imagery is so clear, you don't absolutely need to read the accompanying text to understand how to perform the trick. Even so, each trick is carefully explained, and tips are liberally mixed in to help students overcome common problems. But for me, one of the best features is simply the book's size. PATHWAYS is a large enough volume to stay flat on a table, so you can glance at the photographs while holding your juggling objects. The large format also means the photographs are themselves large and easy to see from a distance. This saves tremendous time, and is certainly one of the strongest reasons I pull this volume before others when I want to practice. What's in this volume? You get six major sections, covering something on the order of 50 distinct tricks. First is an introduction to juggling three balls, followed by variations on three-ball juggling, club juggling, juggling more than three items, stealing and passing, and, finally, using devil sticks and diabolos. The how-to sections are

followed by the weakest part of the book: an all-too-brief discussion of equipment and a two-page section on performing in public. These last sections are almost wholly inadequate, in my view.
