# Introductory Algebra (5th Edition)

## Synopsis

Elayn Martin-Gay firmly believes that every student can succeed, and her developmental math textbooks and video resources are motivated by this belief. *Introductory Algebra, Fifth Edition* was written to provide students with a solid foundation in algebra and to help students make the transition to intermediate algebra. The new edition offers new resources like the Student Organizer and now includes Student Resources in the back of the book to help students on their quest for success. **Note:** You are purchasing a standalone product; MyMathLab does not come packaged with this content.
