## Synopsis

A Fighter's Passion Not all hurt is physical, and Molly Frank knows that better than anyone. Following the shameless cheating and departure of her boyfriend, Nick, she sinks into a listlessness, unsure of how to move forward. When her best friend encourages her to take up mixed martial arts as a way to blow off some leftover aggression, Molly is unsure, but ultimately decides to give it a try. The MMA itself is, of course, interesting, but the instructor, a tall, chiseled man named Hunter, seems to wade through all of her defenses with ease. As they work privately together, Molly finds a rhythm with the physical art of the fight, falling for more than just the mat... Uncaged Passion Felicia Wallace thought that her boyfriend Brock was what all men should be. He was caring, compassionate and showed her the kind of respect that put her on a pedestal. That all changed when she came home to find that the dog walker and Brock had decided to see if they had more in common than just their love of animals. He claims that it was a one time thing, but her friend Laura tells a different story. Upon hearing about his constant infidelities, she finally breaks up with him and goes to an MMA fight with Laura to get over her cheating boyfriends ways. She doesn't like the pugilistic art of boxing, but this one on one kind of combat is something that makes her sit at the edge of her seat. She spies Jason Fox and knows that there is something that makes him almost irresistible. Can she breakthrough the icy exterior of a heart they had been broken too many times to count? Does Jason know what true love is and is he destined to find out through the eyes of Felicia? WARNING: This ebook contains mature content and language. It is intended for 18+ readers only!
