We Skate Hardcore: Photographs From Brooklyn's Southside

Synopsis

The stunning photographs of *We Skate Hardcore* reveal the determination, the dreams, and the rough and tumble story of urban Latino youth coming of age in New York City. Vincent Cianni spent eight years photographing and documenting a group of Latino in-line skaters in the Southside of Williamsburg, Brooklyn. Cianni weaves together images of the skaters with their own words, showing the skaters' struggles to find a place to skate and build skate parks, and just to survive in the city. In the evacuated industrial spaces of their neighborhood, the skaters carve out places for enjoying their sport and showing off their skills—often thwarting established rules and authority figures in the process. Their stories are both personal and resonant; they reflect the trials and tenacity of a young urban culture, as well as life in Southside's Latino community. In addition to black and white and color photos, *We Skate Hardcore* includes a DVD with footage of the skaters featured in the book, as well as additional photographs and an essay. *We Skate Hardcore*, with its verve and youthful energy, will especially appeal to photographers, those interested in urban studies and adolescence, New Yorkers, and in-line skaters and extreme sports enthusiasts everywhere.
