Every Christian should read this book. It is powerful,& life changing. If you are tired of being stuck in your present situation, battling the same battles over & over, & going around the same mountains this book will show you through the power of the Holy Spirit how to change your circumstances.I dare you to read it & not be changed!

Absolutely eye-opening. Amazing. If you'd like to know your 'RIGHTS' in God's kingdom, do yourself

a favor and read this book. God wants to provide so much more for us than we're allowing Him to provide, all because of what we're "permitting" in the spiritual realm.

Finally, a book that breaks through all the nonsense and details how to live the abundant life that God has ordained for each one of us. This book is packed with powerful revelation that will minister to you in every area of your life. Reading this book will change your life, and equip you to fight the good fight so that you can fulfill your God given potential, and accomplish your destiny in this life.

Pastor Mike book is super good, God is truly blessing him to minister to the bodyof Christ and others. Pastor have a heart after God's heart. Through the reading of this book my spirit, soul, and mind has been awakened from the darkness to the lightof Christ. I pray God's covenant blessings over pastor Mike and his family, love you

For such a time as this...Michael Mille has written a Powerful and Spirit Filled book. Rest assured there is a profit in believing this Prophet. This book is Biblically sound for winning the battle against the thief of our mind. Don't be distracted by your mind, STOP and order this book NOW!

I just love Pastor Mike. I have gone to hear him preach many times and he is simply wonderful. I prefer seeing him in person, but his book is good too. He is insightful but still human and down to earth. He is very easy to listen to. He is the type of preacher that makes you forget you are in church or that you may have somewhere to be later. He is someone you could listen to for several hours and never get bored.

This is a bible based, easy to read, informational book on what goes on in the spiritual realm. I could not put it down once I started reading because of biblical information I was not aware of. It has changed my outlook on the spirit life and changed my life tremendously. I recommend this book to all born again believers to read. It will change the way you look at life.

We do not realize how easily the demonic can affect our lives . This book is very educational in not only teaching how the demonic can be defeated , but also what we can do to avoid letting the demonic in.
