# Top Corner Youth Hockey Skills: A Parent's Guide To The Mite Years

## **Synopsis**

Written by a longtime youth hockey coach/parent and USA Hockey coaching educator, this book provides a basic introduction for parents navigating the world of youth hockey. This â cemite youth hockey primerâ • covers the skills your child can be expected to develop at this stage, what to look for in a hockey program, ways to build hockey skills and support a love of the game at home, and how to talk to your childâ TMs coach. Seasoned coaches reading this book will find a good grounding in basic skills and positive attitudes in an easy-to-read format to share with parents and players. Part of a series of books containing tips and advice for youth hockey parents and players at every stage.

### Customer Reviews

I chose two stars as for me the information was old news for me. I will have to look at the next book. But good information for parent who is just entering hockey. It is short and to the point which makes for a quick read.
