# Time's Divide (The Chronos Files Book 3)

## Synopsis

The Cyrists are swiftly moving into position to begin the Culling, and Kate's options are dwindling. With each jump to the past or the future, Kate may trigger a new timeline shift. Worse, the loyalties of those around her—including the allegiances of Kiernan and the Fifth Column, the shadowy group working with Kate—are increasingly unclear. Kate will risk everything, including her life, to prevent the future her grandfather and the Cyrists have planned. But, when time runs out, it may take an even bigger sacrifice to protect the people she loves.

## Customer Reviews

After the conclusion of *Time's Edge*, Kate now has allies in her plan to stop Saul's nefarious plot to cull the majority of humanity, leaving only those whom he deems truly faithful to his Cyrist religion alive. Led by Julia Waters, this small compartmentalized crew is only one part of the larger resistance called The Fifth Column. These allies are in a prime position to help Kate in her fight against Saul, as they are a faction hidden inside the Cyrist hierarchy. But are their goals completely aligned with Kate's or do they have some hidden agendas that could derail her

plans? In the meantime, Kate knows The Culling is coming very soon and once they learn the date it will occur, the countdown is on! The odds are against them and the situation is grim as they all try to stop Saul from implementing his terrorist plan. Also, stalwart ally Kiernan is acting very strangely lately, more withdrawn and less like himself than usual. Continuing to act as a double agent within the Cyrist ranks, what secrets might he be withholding from Kate? Could they mean he is ultimately untrustworthy and unreliable when Kate needs him most, in this final battle against Saul? The story barely takes time to breathe as it moves at a breakneck pace from beginning to end as we time travel from one era to another. In between the action, as there is plenty, we get many wonderful character scenes, from Kate to Kiernan, to Kate's boyfriend Trey and Kate's best friend Charlayne and everyone in-between. By now, having spent much time with them in all of their books and short stories, we know them backward and forwards like old friends, right down to their quirks.
