How To Seduce A Pirate (The Hawkins Brothers Series)

Synopsis

Enter the sensual and swashbuckling world of *The Hawkins Brothers*: four dark and dangerous pirates who retire their wicked ways after their sister becomes a duchess. But can the rugged rogues enter high society in Regency England, masquerading as gentlemen? Or will their true identities be revealed?***HOW TO SEDUCE A PIRATE: *The Hawkins Brothers*,3***The downtrodden daughter of a viscount, the Honorable Miss Holly Turner is desperate for money and assumes the secret identity of Lord H--an erotic artist--but her carefully crafted world turns on its ear when she stumbles into the room of one very handsome--and very naked--gentleman, mistaking him for her model. Quincy Hawkins is chasing the dragon, hoping to outrun the demons from his past, but when an audacious--albeit beautiful--wench paints him in the buff, mayhem erupts. What is a gentleman pirate to do when scandal strikes? Marry the wench, of course. There's just one hitch. He won't bed her. Ever. His charming wife has already stolen from him his likeness, his freedom, and Quincy won't give her anything more . . . not even his body. Holly can't believe her ears. A marriage in name alone? She will never have a wedding night? She will never know the pleasure of her husband's sensuous touch? Well, she won't stand for it. She intends to have a real marriage--with all the sensual benefits--even if it means seducing her stubborn pirate.

If there is one thing to be said about this author is ,she has the talent to put you in the room where the scene unfolds,she does not stall nor use fillers and repetition to hinder the enjoyment of this lovely sensual read. The Hawkins are as hot as ever and Quincy has had his day! The pup of the litter,stunningly gorgeous and wicked,is accidentally forced to marry. Holly a Viscount's daughter has taken on far too much on her shoulders and in her efforts to maintain herself and her sister accidentally brings about this marriage. She however,will now have to live with the consequences as,yummy tortured pirate Quincy,is not about to succumb to husbandlyhood that easily!Did I want my pirate more wicked and naughty as he was in the previous books? Of course I did,but Ms Benedict has such a talent in writing that she grips you in from the start and brings Quincy to life as a breathing oddity in the room with you! Did I want Holly less resigned to what life handed her and less comfortably with her sexual adventures,for a girl of that era,again yes,but again this author has a way to endear you to her characters. She does not over complicate the plot with too much happening which makes the read a relaxing escape,though I devoured it far too fast for my liking,I just could not put it down and that is purely on this author's skill and talent! There are scenes that actually gave me goosebumps and a few tears and that coming from a hard core reader who is not easily moved,for me it is something! The whole clan makes an appearance too and they all are as yummy as ever,but there was a bit of back story I was not interested in,probably for people who have not read the previous books in the series!
