Customer Reviews

Life can be tricky and that's why we all need life coaching. I salute the author for writing this book about I Ching. It's pretty straightforward and advice are simple, yet very educational. Sometime

when you're in the midst of problems, all you need to do is read a great book that talks about great things! I highly recommend this book to everyone.

I love reading books about self improvement, and so when I saw this book, I downloaded it. And after reading the book, it enlightened me. There were a lot of very informative details that was very useful for me. I am actually not a believer about I Ching, but this book showed me details that I never knew. There were different I Ching that were actually true based on my experience, and I really enjoyed reading this book.

I really enjoyed reading this book. I found this book insightful and inspiring. This book motivates you and teaches you various techniques that can help you to become a successful. It will explain how you can achieve your goals and your personal growth. I found this a life changing and very informative. I will definitely recommend this book to anyone.

For anyone just beginning their studies in the I-Ching, or those who are more experienced and rely on this oracle regularly, this book is wonderful. It provides just as much information is necessary, in a clear and consistent manner. I highly recommend this resource to anyone who wants to begin their studies in the I-Ching.

The book explains the old Chinese practice of I Ching and how it can help you to achieve goals and become happier. I liked the tips in this book and feel that they are very useful. The I Ching changed my views on how you can achieve your goals. If you have never heard of I Ching I certainly recommend this book.
