Customer Reviews

This book was a great read, but more than that it carries a much deeper message. A message to wake up, to find our deeper self not the petty little self that we are most of the time. It serves as A reminder to us to seek out our greatness and find our true source. Who we really are. I am most grateful that this book came into my life. Highly recommended.

Secrets of Enlightenment, Vol. 1 is a wonderful book! It is so rich and full secrets of how to reconnect to your 'True Self'. You can find so much in it, just be open, be like a sponge, absorb its content and

let it work for you.

Acharya Shree always impresses. Follow his guidance & you will be certain to become enlightened one day.

Required reading if you want to be spiritually and earthly happy.
