¡En Español!: Más Práctica (cuaderno) Level 1 (Spanish Edition)

Synopsis

Deckhead: A beautiful gift edition of the very first Prayer Book, written by Thomas Cranmer in 1549. In 1549 Thomas Cranmer published the first Prayer Book in English. Based on medieval forms of worship, its language is both sublime and majestic. Later Prayer Books produced by the various members of the Anglican Communion are derived from this resource, owing an incalculable debt to Cranmer's pioneering work. This new edition presents Cranmer's services in a form that is practical, accessible, and easy to follow. In an edition designed for worship, the instructions-the 'rubrics'-are printed in red. The services included in this beautiful gift volume include: Matins, Evensong, Holy Communion, Baptism, Confirmation, Matrimony, Visitation of the Sick, Burial of the Dead, The Litany, Catechism, and the Collects, Epistles, and Gospels assigned for various days.

Book Information

Series: [En espaÃol!](#)

Paperback: 168 pages

Publisher: MCDUGAL LITTEL; Workbook edition (May 12, 1999)

Customer Reviews

Great complement to the text. Mine (text and workbook) are an edition apart, but it's not for a course--working fine for self-study. A few are exercises do refer to the text and aren't aligning with references.

Exactly what it was supposed to be, work book to go with textbook. Easy to tear out pages, lots of "fill in the blanks".

Wow! That was fast! Thanks. I am using it now and it's helping a lot. It's very helpful if you are studying Spanish!

Has one short work page per grammar box pretty much. Helpful but not as intensive as I think my son needs.
