Renewables Are Ready--People Creating Renewable Energy Solutions: People Creating Renewable Energy Solutions Clean Energy Through Community Action (Real Goods Independent Living Book)

Synopsis

Renewables Are Ready is the first book to document the wide range of local renewable-energy efforts already under way, right now. And all of the ideas presented here can be implemented in a city, town, or neighborhood through individual and group initiatives.

Shipping Weight: 1.3 pounds

Average Customer Review: 1.0 out of 5 stars [See all reviews](#) (1 customer review)

Best Sellers Rank: #5,512,924 in Books (See Top 100 in Books) #93 in [Books > Science & Math > Environment > Recycling](#) #11616 in [Books > Engineering & Transportation > Engineering > Energy Production & Extraction](#) #13405 in [Books > Engineering & Transportation > Engineering > Civil & Environmental > Environmental](#)

Customer Reviews

There is a big problem with buying a book online when you can't see the copyright date. The advances and changes in the renewable energy field are happening very quickly. This book is a pleasant reminder of what things were like years ago, and they did a good job of it. I'm angry with for not revealing the date of publication. I would not have bought this "dated" book if had revealed when it was written.
