Hawks Dynasty: The Chicago Blackhawks' Run To The 2015 Stanley Cup

Synopsis

The Chicago Blackhawks[™] 2015 postseason run culminated in the team's third Stanley Cup since 2010, the sixth championship in the Original Six franchise's history. The road to hoisting the Cup was the bumpiest of Chicago's three titles under head coach Joel Quenneville. The Blackhawks finished third in the NHL's Central Division following a season in which key players, including Patrick Kane and Corey Crawford, missed time due to injury. But the Hawks stormed past Nashville, Minnesota and Anaheim to set up a Stanley Cup Final matchup against a young, fast Tampa Bay Lightning team. With new heroes emerging throughout the postseason, the Blackhawks battled through a tough, six-game first round series against Nashville before sweeping the Minnesota Wild to reach the Western Conference Final. In an epic series that featured three overtime contests, the Blackhawks overcame a 3-2 deficit to defeat the Ducks in seven games to advance to the Stanley Cup Final. Packed with one-of-a-kind analysis and stunning photography from the Chicago Tribune, Hawks Dynasty takes fans through the Blackhawks' journey, from the crushing loss to the Los Angeles Kings in Game 7 of the Western Conference Finals in 2014 through the final seconds against Tampa Bay. This commemorative edition also includes profiles of Kane, Crawford, Jonathan Toews, Duncan Keith, Brandon Saad and Scott Darling.

Customer Reviews

As a big Blackhawks fan, I was excited to add this book to my library. It will be a great memento of an amazing year and Stanley Cup run for this Dynasty team. I love the included articles and selection of photos which I can return to over the years to re-live the excitement of the 2015 march

to victory. My only disappointment with the book is that the editors didn't think to include a page with the entire team roster. I think that is an awful oversight because I believe most fans would like to know who made up the amazing 2015 Blackhawks when they look back. Well, if we are fortunate to win again somewhere down the road, I hope that they'll correct that error.

I got this for my boyfriend who is a super hawks fan. I wasn't sure at first if he would like it but once he saw it his eyes lit up. I knew he would enjoy keeping the highlights of this wonderful season fresh in his memory for years to come. This book highlights the hawks season with overviews of each game and full page photos to remind you of the joy you felt watching them over and over again.

It's a cool book with nice short recaps of every playoff game and a few other stories from throughout the season. The only thing I didn't like was the pictures they used to recap each game; they seemed pretty random. There weren't many that captured a memorable moment of the game, and a fair amount of them were photos of a Blackhawk getting roughed up which seemed like an odd choice.

Our whole family loves the Blackhawks and so we all enjoyed this book. Perfect gift for Chicago Blackhawks fans. Our whole family loved this book.

A lot of history and insightful quotes and pictures in this book. It covered just about everything.
