ISBN-13: 978-1423220312

Product Dimensions: 8.5 x 11 x 0.1 inches

Shipping Weight: 0.3 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (23 customer reviews)

Best Sellers Rank: #12,924 in Books (See Top 100 in Books) #19 in [Books > Textbooks > Science & Mathematics > Mathematics > Algebra & Trigonometry](#) #27 in [Books > Science & Math > Mathematics > Pure Mathematics > Algebra](#) #204 in [Books > Textbooks > Reference](#)

## Customer Reviews

For those of us who are older, the font of the print on these study guides are a challenge. The second problem I found is the color of the background and the color of the print blend making it hard to read. It is not a crisp abstract that is easy on the eyes to read. I use a magnifying glass to clearly see this guide.

Fast shipping, good condition, I didn't really use it for my class but it has many helpful formulas and hints to help the average college student

Good quality. no complaints. it is laminated so I expect it to hold up for a long time.

This is for my college classes, everything looks good! Thanks!

Great item. Arrived on time, as expected and great price.

This helped me so much, it gets the info to you fast and clear, well done!

Super convenient while studying or doing homework.

It's good for people who aren't great at algebra.
