Football Outsiders Almanac 2016: The Essential Guide To The 2016 NFL And College Football Seasons

Synopsis

The most authoritative and innovative annual guide to both the NFL and college football is back for an all-new season with more cutting-edge statistical analysis, obsessive film study, and trademark humor. Includes comprehensive coverage of all 32 NFL teams, analysis of offseason personnel changes, over 500 KUBIAK fantasy football projections, and breakdowns of the top 50 college football teams for 2016. With numerous statistical measures that go far beyond standard NFL stats, Football Outsiders Almanac 2016 gives NFL fans the kind of sabermetric-like statistical analysis that revolutionized the fan's understanding of baseball. It's also written with a knowing dry wit that gets under the skin of America's most popular spectator sport. Groundbreaking team and player DVOA ratings that correct for situation and opponent to reveal which offenses and defenses are truly superior, and which players really help win games. Exclusive data from our partners at ESPN Stats & Info and Sports Info Solutions, unavailable in standard NFL stats, tells you which quarterbacks benefit the most from yards after catch or play best under pressure; which teams most often blitz or run specific offensive formations; and which defensive backs stop the other team's passing game, measured by pass coverage on every single play rather than just tackles. Detailed information on each team's performance in 2015 by offensive and defensive personnel package. Detailed individual stats for offensive linemen and defensive players. Extensive coverage of all 32 teams with week-by-week stats from the 2015 season, five-year performance trends, and analysis of off-season personnel changes. Exclusive 2016 predictions that give the odds on each team as a Super Bowl contender ... or a contender for the top pick in the 2016 draft. 2016 fantasy football projections for more than 500 skill position players based on the KUBIAK forecasting system. Breakdowns on the top 50 college football teams and full win-loss projections for all 128 Division I-A (FBS) teams. "A book that any self-respecting NFL fan needs to purchase." -- Bill Simmons, The Ringer.com

"Football Outsiders has now built a system that has some serious traction behind it. I personally find it fascinating." -- John Schneider, General Manager, Seattle Seahawks

"Exhausting, enlightening, surprising in many cases, and an absolute must-read if you like the NFL." -- Peter King, TheMMQB.com

"It's important for you, the working football fan, to know more about football than other football fans. The Football Outsiders Almanac will give you all the background knowledge you need to make your football-watching companions feel uninformed and inadequate." -- Drew Magary, Deadspin.com

"Football is a nearly impossible game for even its most devout practitioners to understand. Football Outsiders is the best way I know to make it make sense." -- Will Leitch, New York Magazine/SportsonEarth.com

I have bought this book since it was Pro Football Forecast in 2004. It returns in much in the same form you expect this year. It is updated right to late July, and it talks about regression to the mean and has fantasy prediction and talks about offensive line and defensive play way more in depth than the \$7 to \$8 fantasy annual or pre-season annual. All the major suspensions are covered in here as well.

The only football book that I read every year. A brilliant mix of wit and wisdom, and a fantasy football predictive chart included. A must have for anyone who loves football but finds the current dialogue about the game too light.

Just amazing. Essential for any fan who really wants to get inside the game and go beyond the superficial stuff we usually get from TV and the papers. Bravo to Aaron Schatz and his staff.

As, always a great almanac for a fan like me. Everything is at hand, reviews stats and predictions for all nfl teams.

Amazing product. I love this almanac. Thanks !
