# Everything Your Coach Never Told You Because You're A Girl: And Other Truths About Winning

## Synopsis

This is what your coaches would have said to you if you were a boy, told through the story of a small-college team that won more games than it ever had a right to win. It's an inspiring and straightforward look at the qualities that define the most competitive females, and what separates the ones who get it from the ones who don't. *Everything Your Coach Never Told You* is the instruction manual for female athletes who want to do more than just play. It's for those girls who want to win, win big, and never apologize for it. It's the call-to-arms for competitive female athletes who dare to color outside of the lines. Not recommended for readers under the age of 13.

## Book Information

Paperback: 186 pages

Publisher: SoccerPoet LLC (October 20, 2014)

Language: English

ISBN-10: 0989697746

ISBN-13: 978-0989697743

Product Dimensions: 6 x 0.4 x 9 inches

Shipping Weight: 12 ounces (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (72 customer reviews)

Best Sellers Rank: #28,615 in Books (See Top 100 in Books) #5 in [Books > Sports & Outdoors > Coaching > Soccer](#) #21 in [Books > Sports & Outdoors > Soccer](#)

## Customer Reviews

*Everything Your Coach Never Told You Because You're A Girl* by Dan Blank might just as well be titled "The Good, the Bad and the Ugly: If Clint Eastwood was Your Coach". It's a classic, it's a 5 star show, and it will never be old. I'll be hanging onto this book and reading it again and again whenever I think I've lost my competitive edge and need a few good reminders about what it takes to be a winner. I use to play but now I coach. I've read every book Dan Blank has written so far except for *Happy Feet* and this is one of his best (BTW all of his books are excellent). While the title of this book implies it's just for girls, in fact I found it's loaded with stuff my coach never told me and I'm a boy. Perhaps coaches never told me "truths about winning" because they assumed somehow I instinctively knew how to be an outlaw. I believe this book is just as relevant for boys as it is for girls however nobody has ever written something like this for girls, at least that I know of and that makes this book bodacious. There's no "beating around the bush" writing here, from the get go Blank goes straight into the psyche of serious competitors and it's not dressed up in the slightest. I

read Dan Blank's other books rather quickly (they're hard to put down) but this book was a tough read for me because I wasn't prepared for its intensity. Temporarily I found I had turned into a full-time competitor, something normal society does not consider as acceptable behavior. Dan Blank mentions this in the book i.e. the arena of competition versus normal everyday society. The problem was, I was on Chapter 20 titled "Be the Bully" and I became the bully.
