Fourth Down Baby: A May-December Romance (Ballers & Babies Book 4)

Synopsis

He tempted me and I couldn't resist. Now I'm having his baby. It all started out innocent. Cory helped me around the house, and I mentored him, but then things changed. I started to see desire in his eyes, and I have to admit, I liked it. I know it isn't right, but I can't help myself. He makes me feel alive again. But being with him isn't healthy. We come from different worlds. I should let him go, let him live his life. I'll only hold him back and keep him from achieving his dreams. It was supposed to be a fling with the forbidden. I only wanted to indulge, nothing more. I planned to say goodbye before anything got out of hand. But now I can't because I'm pregnant with his baby. **Fourth Down Baby is a full-length romance with an HEA, no cliffhanger, and no cheating!

Customer Reviews

My first book by author, Lauren Landish. Also my first May-December romance, where the woman is the older one. Interesting, In a good way! I really enjoyed this story. I loved that we get to see Cory Dunham grow from teenager to 'Man.' I appreciated that even though Cory wanted more with Patricia Nelson, and he was 18, everything stayed pretty innocent. He graduates. Goes off to college, and becomes a success in banking/finance and comes back a 24 year old 'Man' before

anything happens. So there wasn't any creepy, child predator vibe going on. I appreciated that. It was funny that Cory was Patricia's daughter, Whitney and son in law Troy's high school friend and classmate. And Troy's football team member. I loved that when Patricia and Cory finally went public with their relationship, Whitney was so cool about it. I loved that Patricia wanted Whitney's blessing before she accepted Cory's proposal. Loved how excited Whitney was about becoming a big sister, after Patricia announced her pregnancy. A little Father of the Bride 2 vibe with Patricia and Whitney pregnant at the same time. I was even impressed with Cory's parents being so cool about Patricia being 18 years older than Cory. They accepted her right away. I adored Whitney Vaughn, aka Harley Quinn. I loved that she also became Patricia's bff and sounding board. I didn't like that Troy and Whitney were so quick to jump to conclusions about Cory. Thinking he dumped Patricia after she told him she was pregnant. They knew Cory. Have been friends with him how long? And especially with the bad cell phone connection. And Troy, who's a 230lb professional Football player beating up Cory, who although in good shape, works in an office and is about 180. I know, got to be conflict. I couldn't stand Patricia's pastor. Or her boss.
