## Customer Reviews

Six Times As Sweet features outstanding photography by NBA Photos which illustrates the Chicago Bulls run to their sixth NBA championship. The pages are full of life capturing the essence of the Bulls season. This is a "must have" for all Bulls fans.

One of the better made tributes to a memorable Chicago Bulls season. Production value is evidently quite high and not your typical quickly put together issues as some publications come out with. The photographs are great and reliving the championship run, especially on Michael Jordan's last year as a Bull, becomes better with great books like these. I usually get the Sports Illustrated commemorative championship issue everytime because of great writing and photographs, and this retrospective ranks right up there with SI as a keepsake.

Great recap of Chicago's 3peat repeat and their final season together

Good photography. Great if you love the Chicago Bulls and Michael Jordan and Scottie Pippen!
