Dreams And Legends Collection (The Legend Of The Theodosia Sword And The Lore Of The Lucius Ring)

Synopsis

Welcome to the DREAMS AND LEGENDS collection. USA Today Bestselling author KATHRYN LEVEQUE has put together a unique collection of her works from the bestselling collections WITH DREAMS ONLY OF YOU and EVER MY LOVE. Both of these collections were part of the same series - WITH DREAMS ONLY OF YOU centered around an ancient gladius with a curse and EVER MY LOVE was based on an equally cursed ring. Now, Kathryn's novellas from both anthologies are together in one fantastic collection! The Prologue to WITH DREAMS ONLY OF YOU - in the prologue, written by Le Veque, we meet Lucius, a Roman soldier based on Hadrian's wall. When the Otadini tribe attacks, he knows his time is limited and his only thought is of his wife, Theodosia. WITH DREAMS - A Medieval Romance novella based on the prologue, the gladius belonging to Lucius is discovered by a knight and given to a lady he hopes to marry. But whispers of the curse of the sword began to swirl, threatening their blossoming romance. THE LORE OF THE LUCIUS RING - In this prologue to EVER MY LOVE, we meet Theodosia, Lucius' wife. Knowing her husband was killed in Britannia, the only thing Theodosia has left of him is their daughter and the ring he gave her, an ancient ring said to bear its own curse. OF LOVE AND LEGEND - The Lucius Ring, passed down through the females of Theodosia's family, makes its way to Medieval England where a highway robber steals it and gifts it to his true love. But secrets, and more curses, threaten to tear the couple apart. Will they be able to be together or will the curse of the Lucius Ring end their love forever?

Customer Reviews

Oh my this book is wonderful. Each story is a stand alone book, but here you get a jackpot of stories. The ring starts out sad and then the stories carry you through out history along with the encounters of the ring and those who come into its ownership. If you love romance and history then this book is for you. Each writer spins a love story that transports you back in time to the lives and loves of the Lucius Ring.

Such a great storyline, the characters suck you completely in and you can't help falling in love with them. There was nothing about this book that I didn't like. It was freaking awesome and I couldn't put it down. I cannot wait to read the next book!

It is really sad that stories like these are published. Very short and undeveloped. It was a good idea but so rushed through that it was very unsatisfying

great
