# Captains File: India: From Nayudu To Kohli, India's Test Cricket Captains

Synopsis

From Nayudu to Kohli, Indiaâ ™s 32 Test cricket captains. From the days of the Maharajas and Nawabs when one had to be royalty to lead India into battle, a position no commoner was fit to fill, to the modern day of helmets and television, stump cams and DRS, Indiaâ ™s 32 finest are here together for the first time. The Colonel CK Nayudu reportedly disallowed his players from drinking water at the drinks break. The Maharajkumar of Vizianagaram â œdid not understand field placings or bowling changes and never maintained any regular batting order.â • Mansoor Ali Khan lost the vision in his right eye in a car accident and six months later made his debut for India. Three Tests later and he was the captain. The man he replaced, Nari Contractor, nearly died after receiving a blow on head while batting in the West Indies. Allegations of ball tampering, match fixing, too aggressive, too defensive, a few tears, a Tied Test match and a team all out even though only five wickets were down. And some missing teeth. This and so much more in Captains File India, From Nayudu to Kohli, Indiaâ ™s 32 Test Cricket Captains.

Customer Reviews

This was a terrific account of the Indian captains. Well written and not some stuffy historical thing -

rather, it was quite good fun. What surprised me most was that the writer is an Australian - he was very even handed with his analysis and observations. It has given me a completely different perspective about Indian cricket.
