Customer Reviews

A must read for anyone who mountain bikes, whether he or she is a bike nut or just a casual cyclist. Full of fun cartoons, with serious messages about technique, much of it conveyed tongue-in-cheek style. A great gift for someone you know who likes to get out on the trails.

Great funny read. I was expecting more hard useful mountain biking information. Would be a great book for a gift to a mountain biker. The book is a collection of very funny cartoons on biking, most just funny and some with serious advice.
