# Broken (The Girl In The Box Book 6)

## Synopsis

Sienna Nealon is a broken human being. Her lover is dead, her closest friends have deserted her, and her employers have betrayed her. From the ashes of her desperation, she must master the metahuman powers at her command and finally tame the souls that share her body for one ultimate purpose - revenge against the ones who destroyed her life. Note: This is book six of the series and may not make sense to new readers. Book one is titled *Alone*, and is presently available in ebook formats.

## Customer Reviews

As I sit here, sipping my tea, I find myself looking back on all that Sienna has accomplished...as well as all she has lost. I try to determine if one is higher than the other; or if it is a balance between the two. Which probably doesn't matter but I feel like to understand this book, we need to really understand why and where all this anger comes from. And if you haven't read any of the books before this one I compel you to STOP! HAMMER TIME ....(No sorry couldn't help myself) But you really need to pick up the first book in the series so you can see where Sienna is coming from. So

we see that all hell breaks loose in Broken and Sienna is a death dealer in every sense of the word. Everyone has deserted Sienna, except for a select few, and she has lost those that are the most important in her lives. But besides this, she has been betrayed by those that she trusted the most. So we are seeing a completely broken shell of Sienna (hence the name) that is hell bent on revenge no matter the cost to herself or her future. Even before the event that took Zach away from her, Sienna had been through some tough to deal with crap but she always had that glimmer of hope that things would be better. Now, I just can't seem to find that glimmer anymore. All I see is pain. There is hope, but it is my hope that Sienna can rise up like a phoenix after all is said and done and still find something good inside her and this world. Besides the strong emotional characters that inhabit the pages of Broken; the plot is dark, dark, and just a little more dark. I mean, you know, it is good writing when every time I pick up my Kindle to jump into Broken, I get this weary dread come over me.
