Dale Brown's Memoirs From LSU Basketball

Synopsis

Dale Brown's Memoirs from LSU Basketball provides an inside look at Coach Brown's 25 years of coaching at Louisiana State University. In taking an LSU basketball program on life support and turning it into a highly competitive program, Brown was thrown into the national spotlight. His opinions on the NCAA and matter-of-fact voice in the media proved to be a way for the coach to earn the respect of his peers. In this book, Brown remembers his trips to the Final Four, the great teams and coaches he battled through the years, the hundreds of talented players he coached, and the recruiting tactics he employed in luring some of the nation's top recruits to the Bayou. He also devotes a chapter to his memories of LSU legend Shaquille O'Neal, who has always been a vocal supporter of Coach Brown.

Dale Brown's Memoirs from LSU Basketballll anxiously awaited the arrival of the book Dale Brown's Memoirs from LSU Basketball and I was delighted to find out that it met every expectation !Dale Brown has always been one of my favorite NCAA head men's basketball coaches and this book provided a unique glimpse into his coaching history both before LSU and during his tenure in Baton Rouge.I also enjoyed his recollections of the 1980-81 NCAA Final Four team at Louisiana State -- the first since the Bob Pettit era.All in all, I would heartily recommend Dale Brown's Memoirs from LSU Basketball for all Tiger fans and for fans of college basketball in general.
