## Synopsis

What if to protect your child, you had to keep him secret? Conor I'm going to make her scream my name, and tease her until she begs me to fill her up, inch by filthy inch. Mikhail Antonov stole his daughter from me once, but fate's given me a second chance and this time he doesn't get a say. Her dad's a f\*\*king bully. The rest of this crooked town might be terrified of him, but not me. Not now I've found Maya. Mikhail doesn't know it yet, but if he lays a hand on my woman, he's dead. I'm going to make her mine again, and he's not going to stop me â “ even if he does run the Russian mob. If he stands in my way, I'll burn his town to the ground. Maya Conor Regan saved me twice before he even said hello. He made me happy for the first time I could remember. But then my mobster dad took it all away. When I saw Conor fighting in that cage four years later, it was everything I always wanted and everything I ever feared. Now we're balanced on a knife edge, with danger lurking on either side. Conor's like a drug to me, but every time I let him inside me, I'm risking everything I hold dear. I want him more than life itself, but I've got a secret that might ruin everything. He's a dad. Brawler's Baby is a standalone secret baby romance, the first in the Mob City series. Holly doesn't do cliffhangers, and she guarantees an HEA every time. ## Customer Reviews

Once I started , I couldn't put it down!!!! Love the passion between the characters. The story line was incredible and the love scenes were AWESOME. Ms. Hart, you have got what it takes for this journey. People that can't finish a book, have no right to leave reviews.( eye roll). I cannot wait for the second book. I was given this book for an HONEST review. I loved Conner. He's a fighter, smart, cocky, man wh#re, drunkard and trying to fill an empty hole in his heart. That empty hole is Maya!!! She left him in Dublin , and he came to America and looked for her while fighting in the ring all over the US. He wins a fight that he was supposed to loose. The Russian mob bet a lot of money on the other guy and they lost thousands. Maya is at this fight with her very abusive mob father. Connor get a drink at the bar afterwards and her father approaches Conner. Connor knows who he is but doesn't give him the respect of a mob boss. But then Maya walks in and she pleads with her eyes not to act like he knows her. Connors heart is jumping out of his chest but manages to slip her a note for where he's staying. When she shows up , he wants answers but he'd really wants to jump her bones all at the same time. Their love scenes are incredibly written. Almost had to put my kindle down.I highly recommend this book for anyone who loves, action,thrilling, great sexy time and HEA!!!!

This book is about Maya, a mobsters daughter who is stuck in a terrible situation, and Conor, a Irish fighter looking for the woman who disappeared. Maya and Conor had a relationship four years ago in Dublin before her father, Mob boss Mikhail Antonov, forced her to return home. This relationship produced a child, Eamon, and Maya will do anything to protect that child. Conor and Maya reconnect almost right away however, Maya doesn't tell him about Eamon. This book has a great deal of action, adventure, and romance in it and I really liked that. I liked the back and forth between Maya and Conor, they weren't sure if they could trust each other anymore or if the feeling were still there. Mikhail was a great evil character and I liked reading everything that happens to him. This was a good book and I loved reading about this couple. I received an ARC in exchange for a honest review. I look forward to reading more from this author.

For Conor and Maya's story it began when they were teens in Ireland. They were ripped apart by

her mobster father and they didn't find each other again for four years. They battled against her father and his mobsters to get back together. Conor finally met his son Eamon. Truly happy ending. Received a free book for an honest review.

This book was written by one of my new favorite authors. Excellent Bad Boy Romance about MMA and the Russian mob. Connor loved Maya to distraction four years ago before her nasty piece of work, father, stole her away. Now it is retribution time as Connor finds her again on the MMA circuit. I received an ARC in lieu of an honest review. Then I bought my own copy. I honestly love this story and this author!

Really great read. I was so impressed with how I was drawn in. I think I spent the last few chapters biting my nails. I'm hoping there is a novella somewhere in the future. I'd love to see where Conor and Maya end up. I'm not convinced their journey is done.

Very gritty telling of MMA fighting and mob life. I loved Conor's humor as well as how his mind works-faster talker and a fast study to win his fights. Maya was the woman that got away, he knew her as Rachel when they met in Dublin, he searched for after she left, and when he couldn't find her

he turned to a hard life of drinking, drug and women. Maya's life hasn't been all roses either, being a Russian mafia princess was a harsh life, especially with a hard violent father. Intense adventure with humor mixed in makes this an entertaining read.\*\*\*I was given an ARC in exchange for an honest review\*\*\*\*
