Shipping Weight: 1.2 pounds

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (63 customer reviews)

Best Sellers Rank: #104,672 in Books (See Top 100 in Books) #151 in [Books > Sports & Outdoors > Baseball](#)

## Customer Reviews

Awesome that you can this book on Kindle for \$3.00. What's not awesome is not having page numbers on the Kindle version. Just a location. So when the Den leader says ok everyone turn to page 68, your looking at location 760. Completely defeats the idea of an electronic scout book. If the hardcopy book has pages, so should this. Frustrating.

This is the current Webelos book and it has a nice, sturdy laminated cover. It sits flat due to the coil spine and is the envy of my son's cub scout pack! It costs a bit more, but since Webelos is a year and a half (instead of the usual one year for cubbies), it's worth the extra investment. Also, Webelos do a lot of things with their books, so it's nice to be able to lay it flat to read it while working on a patch or pin requirement.

The content is great! The delivery system on a PC through the Kindle App stinks. When working on activities with my son the pictures never match up with the content that goes with the pictures and it gets confusing when stepping forward and backward through the content. Will definitely buy the hard copy for my son.

Even if you are not in scouts I would recommend this book. It is full of great activity ideas to do with your kids. If you are a scout it's nice to have two books and to keep one for a keepsake!!

Few more writings in the book than I expected, but was still manageable. Worth the price since I needed the older version and liked the spiral bound design.

Binding makes it easier to get from section to section and differentiate from other boy's books.

My husband and I are den leaders and I like having my own copy. The Kindle version is perfect for me as it will not get misplaced.

Nothing less than excellent!!! When I ordered the Cub Scout Webelos Handbook for my grandson from . The ordering was simple and the delivery was prompt. Prior to ordering, I compared prices with the Boy Scouts of America and other book handlers and provided me with the best prices available. All I can say is "Thank You". made the task of purchasing via computer easy for the computer illiterate grandfather.
