Delta Recon (SEAL Team Phantom Series, Book 2)

Synopsis

A SEAL ON A MISSIONâ | Taylor Rowland spent over a year trying to forget the one woman who was unforgettable. Wounded on a mission, his team turns to Jacqui, the woman who had been haunting his dreams and the last person he expected to assist his friends. A FIERY AND FEARLESS OFFICERâ | Jaqui gave her heart and body to Taylor, foolishly thinking he cared as deeply for her as she does him. When he left her without so much as a goodbye, she picked up the pieces and moved on. A DANGER NEITHER EXPECTEDâ | When Jaqui is sent off in his place to the rainforest of Columbia to help track Jose Medellin, the leader of the Cali de Valle drug cartel wastes no time in abducting the only female on their team. In an instant sheâ™s gone without a trace. Taylor and the rest of the Phantom Force race against the clock to save Jacqui, knowing the horror awaiting her at the cartels hands. Taylor may find her in time to mend her body, but it may be too late to mend her broken heart.

Customer Reviews

4.5 starsI can always count on Elle Boon to give us a fun, interesting story filled with a little intrigue

and a whole lot of hot men. From Seals to Wolves, she has a way with giving us a really steamy and erotic story and mixes with just enough angst to make it a wonderful read. Jaqui was introduced to us towards the end of Delta Salvation. You knew that she was a firecracker and that her past with Tay was a real sore spot. Unfortunately, she can't stop thinking about him, even when her life is on the line. Finding a way out of the hell-hole she found herself in is first priority, figuring out how she got made is her second priority. Tay should be her last priority but she can't help but wonder why him and the rest of her Seal Team haven't coming looking for her. Tay is beside himself when he finds out that Jaqui was kidnapped by Medellin and the Bloque Cartel. On a mission that should have been his, he can't help but think that he'll never see the love of his life again. He was an ass for walking away from her in the past and now he has to deal with the possibility of her being gone forever. Once she's found alive, Tay swears to protect her for as long as she will have him. If that means being super-glued to his hip, then that is where she will be. It's time for him to face the fact that he's in love with his Sunshine and she needs to understand that there is nothing he would not do to protect what is his. At the same time, Jaqui has to find it in her heart to forgive Tay for walking out on her. How could she not forgive the one man that has held her heart forever, has shown that he knew what he did was wrong and cannot stop telling her just what she means to him.
