Pathfinder Module: Ire Of The Storm

Synopsis

Unnatural storms rage above the rugged frontier town of Pridonâ™s Hearthâ•far-flung Sargavaâ™s latest push to claim the landsâ™ jungle wilds. Alongside the lashing rains and cascade of lightning comes a more terrestrial threat: lizardfolk. To survive, or even escape, the heroes must rally the entire community to weather the brutal press of the storm and establish themselves as local heroes before delving into unexplored jungle. Who built the strange ruins inland from the colony, and what significance do they hold to the lizardfolk that now prey upon Pridonâ™s Hearth? Who are the mysterious Storm Kindlers? What role does the profiteering Aspis Consortium play in all this? And most importantly, who can the heroes trust as their investigations uncover dark truths about the secluded colonyâ™s past? Ire of the Storm is a deluxe adventure for 1st-level characters, and includes 64 action-packed pages of exciting battles, harrowing mysteries, and new monstrous foes, plus a gorgeous double-sided regional and miniatures-scale tactical map!

Book Information
