A Gift Of Dragons (Pern)

Synopsis

For more than thirty years, Pern has conjured visions of brave men and women mounted upon the backs of dragons. As anyone knows who has been touched by the storytelling magic of Anne McCaffrey, to read of the exotic world of Pern is to inhabit it—and to experience its extraordinary dragons is to soar aloft with them and share their dazzling adventures. Now, *A Gift of Dragons* brings together three beloved stories and a thrilling new tale of Pern in a single volume illustrated with beautiful artwork by Tom Kidd. In *The Smallest Dragonboy*, Keevan is the youngest dragonrider candidate, determined to impress a dragon when the next clutch of eggs hatches. But what transpires will surprise everyone—Keevan most of all. In *The Girl Who Heard Dragons*, a young girl's rare ability to communicate with dragons puts her family in danger and will bring her face to face with her greatest fears—and with her most secret desire. The *Runner of Pern* is a girl named Tenna, who follows family tradition by delivering messages—and who will find her destiny on the mossy traces that runners have used for centuries under the dragon-filled sky. And finally, a very special gift: an exciting new Pern adventure, published here for the first time, fresh from the imagination of Anne McCaffrey. From the Hardcover edition.

A Gift of Dragons contains 4 short stories that take place on Pern. It includes: The Smallest Dragonboy - Keevan is the youngest dragon candidate and he is also the smallest. It is easy for other boys to pick on him and to make fun of his desire to become a dragonrider. But this only makes Keevan more determined than ever to impress a dragon and on his first time on the hatching grounds, too! But when a horrible accident leaves him alone in the hospital wing during hatching time, Keevan gives up hope that he will impress a dragon this year - or does he...? The Girl Who Heard Dragons - Aramina and her family are Holdless, but they are not vagabonds or shiftless people who were tossed out of their holds because they were too lazy. They were of Benden blood, forced to flee when Lord Fax killed all of their blood kin before he realized that Benden blood ran in Aramina's mother's veins. And, just like many others of the Benden lineage, Aramina can hear dragons and talk to them. She is careful to hide her skill, but Lady Holdless Thella found out somehow and is determined to use Aramina's talents for her own gain... The Runner of Pern - Tenna is a runner, just like everyone in her family and spends her time running up and down the trails of Pern, delivering messages. She is working hard to finish the stitches on her belt and no longer be an apprentice. But when a reckless driver forces Tenna off of the runner trace, where no horses and carts are supposed to be allowed, Tenna is injured and upset. She is determined to give this careless Halgion a good talking to... Ever the Twain - Neru has always dreamed of becoming a dragonrider, but his twin Nian is afraid of life without him.
