Cub Scout Bear Handbook

Synopsis

Boys who are in the third grade or who are 9 years old join a Bear Cub Scout den. Those who join the Bear den without having been a Wolf Cub Scout must earn the Bobcat badge. Then all the Cub Scouts in the den work their way along the trail to earn their Bear badge. Compared to the things that Wolf Cub Scouts do, the trail of the Bear is a little harder. For these older Cub Scouts, the activities for advancement and achievement are more challenging. The Bear Handbook has 24 Bear achievements, 12 of which a Cub Scout must complete to earn his Bear badge. The book also gives instructions for 25 electives, which a Bear Cub Scout may work on to earn Arrow Points. Handbook no. 33451.

Book Information

Paperback: 290 pages

Publisher: Boy Scouts of Amer (September 1989)

Language: English

ISBN-10: 0839534515

ISBN-13: 978-0839534518

Product Dimensions: 0.2 x 5.2 x 8 inches

Shipping Weight: 10.4 ounces

Average Customer Review: 3.7 out of 5 stars [See all reviews](#) (54 customer reviews)

Best Sellers Rank: #52,241 in Books (See Top 100 in Books) #4 in [Books > Sports & Outdoors > Other Team Sports > Volleyball](#)

Customer Reviews

As a Den Leader I needed a digital copy, I had to pay for it in the ebook form then find a converter to create a PDF. VERY POOR BSA...this does not set up scouts for success it Lines yor pockets...NOT IMPRESSED!!!!!!

Beware this book is obsolete ... New books being released May 15

Fun book for young boys . Well formatted , Nice to be able to get this on kindle rather than buying hard copy. Would be nice if you could annotate with signatures and dates when the boy passes something off.

It might work fine for others but I was needing to print out some pages so I could sign them for my

sons dens meeting but it wouldn't allow me to properly do it. I ended up getting a refund and making the trek into town to buy a hard copy. I hate that the scouts won't allow hard copies to be sold on .

All the content was fine, but there is no substitute for a bound book. Spend the extra money and get the real book. We made tons of notes in the past years books and we miss that with the digital version.

very disappointed that the digital copy does not have actual page numbers. how is our son going to follow along with his troop? i guess it serves me right for trying to save money.

The new program is great. I tried buying the digital copy because it is \$20 cheaper! But I honestly don't think it is worth it. You can't sign off, there are no page numbers, so it is hard to find specific pages. It is just hard to use. As a den mother who even has the teachers manual in paper, I'd rather buy the physical copy.

This is a necessary book for bear scouts. The requirements for earning the bear badge and arrow points are clearly explained. There is so much for the boys to do, it will keep them busy the whole year long.
