Angelfire (#1)  
Forget everything you know about angels! You'll likely find 18 year old Alyxandria slicing demons with her blades rather than plucking at harp strings. She trains harder than any other angel warrior to prove she's nothing like her parents who abandoned her to become Rogues. Alyx meets Israel, a handsome yet mysterious mortal being hunted by demons. Their friendship is forbidden. But she just can't walk away. Alyx and Israel will soon realize that their destinies are inexplicably tied - and that their choices will determine the fate of Earth itself. It begins in Angelfire...

AngelFire  
The story is very well written. The characters are well portrayed. Alix, who is a Seraphim believes in her Elders and what they teach about demons and humans. She trusts her trainer who she considers to be her father as she does not know her parents. That is until she finds out that mostly everything they are taught are lies. She discovers that Michael, the leader of the Elders is involved in some sort of conspiracy, which he keeps a secret from the rest of the community. Alix

has to learn how she fits in a prophecy, where she is Guardian to Israel who is a mortal. Mortals are not meant to see demons but Israel can. There is also an undeniable bond between Alix and Israel but is it just the guardian bond or something more? This book is full of suspense, action packed and contains a lot of twists and turns. I was unable to put this book down and I am now looking forward to read book two. I can't wait to find out how Alix copes with the uncertainty and the sense of betrayal she is made to endure despite her strength of character. I would fully recommend this book to those who like reading about, heaven, earth and hell together with all the conflicts it brings.

**Angel Stone** This book went straight to where it left off in the first book. The battle between the Darkened and the Seraphim continues, whilst Alyx and Israel are still working out their relationship but at the same time focused on what is at stake and the role they have to play. . The Seraphims (Freethinkers) have to retrieve the black stone, which could bring their destruction before the Darkened get their hands on the stone.
