# Highlanders Ever After

## Synopsis

Let the braw Highlanders in this six book collection sweep you off your feet and carry you away. Three award winning, NYT and Internationally Bestselling authors. Three separate series. Books 1 and 2 of Lily Baldwin's Highland Outlaws series. **Jack: A Scottish Outlaw** Jack MacVie is a Scottish rebel alongside his four brothers. But the MacVie brothers are not hell bent on riches. They became highwaymen to fight against the tyranny of King Edward of England. When Lady Isabella Redesdale's carriage is attacked by a band of villains, Jack and his brothers steal her away. Although they come from different worlds, Jack and Isabella are more alike than they realize. They both crave freedom from war and despair, but in a world where kings reign and birth dictates one's station, freedom is not won, it is stolen. **Quinn: A Scottish Outlaw** He is an outlaw and the only man she can trust. Quinn is a Scottish rebel and outlaw to the crown--not the sort of man for a proper English lady. But when Lady Catarina is accused of a horrific crime and is forced to flee Ravensworth castle for her life, the only man she can trust is the one man who believes she is innocent, Quinn MacVie. Join Quinn and Catarina as they disappear into the wilds of the Scottish Highlands where danger follows at their heels and desire burns in their hearts. Books 1 and 2 of Kathryn Lynn Davis's **Roses of Glen Affric** series. **A Tear for Memory** How can a seer paint the Truth when she's lived a life of lies? Will she allow a man who has twice deceived her to open her heart to the truth? In the Highlands of Glen Affric, years after the Forty-Five the Jacobite rising led by Bonnie Prince Charlie Celia Rose lives happily in Faeries Haven, where the lies that protect her from the past keep the magic and the faeries away. She finds her only magic when she paints, and sees things she cannot possibly know. When a stranger comes on a mysterious errand, he threatens those who want to keep her safe at home. Celia is faced with a difficult choice: believe in those who raised her; or trust this man, and learn the dark secret... **Highland Awakening** Can the transforming power of magic help two people on a perilous journey create a miracle even when one of them doesn't believe? Esmé Rose fears the world beyond her family and her garden but a dream begins to haunt her. Magnus MacLeod, a skilled healer, is called by a dream he doesn't quite believe in, despite its physical effects on him. Together, they will travel a treacherous road together, to a magical place where they must put aside their feelings and differences long enough to make a miracle. Books 1 and 2 of Ceci Giltenan's **Fated Hearts** series. **Highland Revenge** Does he hate her clan enough to visit his vengeance on her? Or will he listen to her secret and his own heart's yearning? Hatred lives and breathes between medieval clans who often don't remember why feuds began in the shadowed past. But Eoin MacKay remembers and vows to have revenge. Years later, as laird of Clan MacKay, he gets his

chance when he captures Lady Fiona MacNicol. His desire for revenge is strong but he is beguiled by his captive. Once he knows her secret, is he strong enough to fight the combined hostilities and age-old grudges that demand he give her up? Highland Echoes Love echoes. Grace Breive is strong and independent because she has to be--she has no one else on whom she can rely. Driven from the only home she has ever known, she travels to Castle Sutherland to find a grandmother she never knew she had. As Laird Sutherland's heir, Bram Sutherland understands his obligation to enter into a political marriage for the good of the clan, but he is captivated by the beautiful and resilient young mother. Will Bram and Grace follow the dictates of their hearts, or will echoes from the past force them apart?

## Customer Reviews

This anthology includes the introductory works to three series emblematic of the Scottish Highlands at their most romantic. In Books 1 and 2 of Lily Baldwin's Highland Outlaws series, we get a taste of life on the borderlands as people struggle to survive under King Edward's tyrannical rule. In Jack, Lady Isabella Redesdale reevaluates what she truly wants from life after her carriage is attacked by highwaymen and she is rescued by a band of Robin Hood-like thieves who live in the forest and use

their ill-gotten gains to care for the band of orphans in their charge. In Quinn, Lady Isabella's sister, Catarina, also must reorder her entire world when she is mistakenly accused of murdering her husband. Forced to flee her home, the only person she can count on is outlaw Quinn. As they outrun her accusers and try to think of a way to prove her innocence, Quinn and Catarina draw closer day by day. In Kathryn Lynn Davis's Highlands of Glen Affric series, the power of magic and the inexplicable Second Sight to paint a portrait of the haunting beauty of the Highland moors and one family's saga during the turbulent times of divided loyalties following the failed '45 Jacobite Rising. Finally, the first two books of Ceci Geltinan's Fated Hearts series capture the longing of two young men to marry for love despite the heavy burdens clan leadership places on their shoulders. They chafe against the political constraints and clan feuds and loyalties pressuring them to accept others' choices for them when all they really desire is the freedom to make a love match. The themes in the novels in this anthology, while steeped in Highland tradition and lore, resonate in many ways with our own times. While the stories provide the rich backdrop of another time and place and create a powerful escape, I could still relate to the very human emotions and the romance of the tales. Very enjoyable!

For the moment, my review is for Lily Baldwin only! What a fantastic and captivating story, written by Lily Baldwin! I really enjoyed Jack: A Scottish Outlaw, very much! You will love Jack MacFie and Isabella Redesdale, they are so beautiful together and the chemistry between these two is filled with love. Both crave freedom, and this story is about an adventure towards freedom! Together, they will pull you slowly into their lives! Just follow their journey! Because this author is a very talented writer, this novella was a delight to read, it's very well written with some touch of humor. I was not disappointed, I truly recommend it

Some of these I had read before, but none of the last few books were familiar. And they were so worth it! Definitely enjoyed them!
