Prayer Of St. Francis, The

Synopsis

Although the prayer of St. Francis is widely known and loved by people of all ages, here is a new slant on it a children's book that brings the prayer to life with tenderness, wonder, and joy.

Accompanying each line of the prayer are sweet little animals paired with a wolf that can only be described as gentle and loving. Here is a wolf that is protector and helper to his little forest friends, bringing them light to banish the darkness, joy to counter their sadness, even contemplating the sunset with his arm around his friend the sheep. A short history of St. Francis and of the prayer is included to help readers put it in perspective. Children will be drawn into the warm, whimsical, and charming illustrations that truly make the prayer come alive. And as they read it to and with children, adults will find themselves smiling at and contemplating this book that will remind them of the beauty and simplicity of this prayer.

Best Sellers Rank: #60,245 in Books (See Top 100 in Books) #121 in [Books > Religion & Spirituality > Worship & Devotion > Prayer](#)

Customer Reviews

This is a lovey book that was purchased for my grandkids. The only drawback is that the vocabulary is a bit more mature than they will understand so I will have to break it down into simpler words. The pictures are delightful. This is a book they can grow into.

I gave this to my 92-year old father. It is one of his favorite prayers and since his eyesight isn't great these days I wanted to give him something with pictures. He was most appreciative. Kept another for myself to read to grandkids.

The illustrator uses the wolf that St. Francis befriended as the teacher in this rendition of the

beautiful prayer. This book is excellent for young children, whether they have it read to them or they are able to read it themselves.

Simple understanding for children . The pictures grab the attention of my children and they like to read it daily which is exactly what we were looking for.

Beautiful illustrations add to the magnificent meaning of the prayer. Can't wait to share it with my second grade class.

Bought this book for my niece for her first holy communion. She loved it
