When a wolf saves her hide, there's more than just gratitude sparking between them. Kasen Steel's tired of women throwing themselves at him. As alpha of his pack, he can have any woman he wants. Problem is, he doesn't want any of them. He wants a chase. He wants someone who isn't taken in with his position. A chance meeting with a hot as hell lioness makes him want a close encounter of the naked kind with her. Wait, he's already naked. Kasen knows Andi's perfect for him. She's already making him crazy by denying their attraction and the fact she's his mate. The hunt is on. Unfortunately for him, proving to Andi they're right for each other is just one of the problems facing this alpha. Keeping her alive, when someone wants her dead, is another. But Kasen isn't going to sit by and let anyone harm her. Now that he's found his smart-assy mate, he isn't letting go. Whether she likes it or not. Another awesome PDA series book! Comical, heated, sexy, hot, murder, mystery, oh and two sexy alphas. Andi is the Prima of her pride. Kasen is Alpha of his pack. When they both contact Gerri Wilder to find them a mate, stuff gets interesting because Gerri has a 100% success rate. Together they are explosive. Of course, the kitty does not want to play well with the big bad wolf. This is probably my favorite in the series now. I could not put it down.

What a great new outlook to this series! I couldn't get enough of Andi, she is the feisty, stubborn, and bullheaded friend we all have telling us to take chances yet she is also caring and would put her life on the line for everyone she cares for (and a few she doesn't). I can see her being a new favorite, along with Kasen. He's the perfect amount of Alpha male with just a bit of humility to know he's not always the one that has to be in charge. With both Andi and Kasen being pressured into choosing a mate they in list the one and only Gerri Wilder. Gerri is up the her bizzare matchmaking and as people have noticed, they aren't always what was expected. They were on the other hand exactly what the other needed. Will there be fights? Will there be danger? Will there be a twist so big, no one will see coming? You will have to buy the book to find out.

Gerri did it again. Lmao. At first I wasn't too sure about this match but of course, it worked out. Andi and Kay are HAWT together and although I wanted to slap her a few times it worked out in the end. And holy plot twist. Yikes! But butt kicking well deserved. Can't wait for the next PDA book.

Milly Taiden has done it again.. She can write like no other. It will keep you glued to the book. Her characters just fit together. This book has two people who match another so well. There is heat, passion, LOVE like no other. I would recommend this book to everyone over the age of 18.

I loved Andi attitude. She is the all alpha female. She just can't see how mating an alpha male will help her with her pride. She will learn that she needs to learn how to work together before she loses

Kasen the alpha wolf. Grab this book to find out how or if she learns in time.

Andi and Kasen have great chemistry even though they are different species. What will Kasen have to do to win the heart of the lioness alpha of her pride. What does a wolf possibly have to offer a lioness. Read it, it's great.

I absolutely LOVE, LOVE, LOVE "All Kitten Aside"...another fantastic book in her Paranormal Dating Agency series. Andi and Kasen are stubborn, funny, sassy and HOT, HOT HOT!!!...did I mention this book was HOT, as in melt your panties, HOT! I own ALL of Milly Taiden's books and I have read them and re-read them, over and over and over...I can't get enough of her Alpha's with Fur and her Ladies with Curves!!! If you're a "Fan for Life", like I am, you know what I'm talking about, and you buy every book with her name on it...if you've never read Milly's books, buy them now and get started, you won't be sorry!!!

Two powerful alphas! Miranda's a prima, knows what she needs and she seeks her late mother's friend. Gerri Wilder has her next purrfect match. Although Andi has no plans to submit to a man's will. She is about to meet her match. Kasen Steel has one desire find his true mate and he wants pups!! He too has preacquired the services of Gerri Wilder. The question is can canines and felines mix? More drama, more laughs and wild sexual pleasure! Milly Taiden delivers again, sexy, sensuous and seductive. This has to be one of the best books she has written. Each book has been better than the last. Highly recommended 5 star read.
